Dear Shilloh,

It was good to see and hear you speaking about Nullarbor Country on the recent ABC 7.30 Report. And to hear you speak about your parents work to gain Native Title, and all the Mirning People connections with Nullarbor, and the caves and rock holes.

Bronwen and I would love to have a yarn with you. We'd like to hear more about your concerns, and to share ideas, about protecting the caves, rock holes and other important places on Nullarbor limestone Country.

We can chat with you on zoom this Friday if you like?

I will be away all next week and likely most of the following week, so if this Friday doesn't suit please feel welcome to suggest a day from 20<sup>th</sup> onwards.

We look forward to hear from you and hope to have a yarn soon.

Regards,

Stefan and Bronwen Eberhard
